Puppy Introduction to Grooming - £20

If you've just introduced a new puppy to your family, We recommend introducing your puppy to the grooming room as soon as possible to help your puppy familiarise itself and build a strong bond with the groomer from a young age. We're passionate in believing that introducing your puppy to grooming should be a fun, exciting and pleasurable experience, without costing the earth. Our Puppy Package is specifically designed for puppies between the ages of 3-6 months to slowly and gently introduce them to the groomer, equipment, noises and smells.
